## COM Express™ specification

**Dear Customers and Partners,**

Thank you for your interest in COM Express™. As you know Advantech Co., Ltd and Kontron Embedded Modules are founding member of the ETX® Industrial Group (ETX®-IG) and COM Industrial Group (COM-IG).

Kontron's and Advantech's COM Express™ products are 100% compliant with the COM Express™ standard that is maintained by the PCI Industrial Manufacturers Group. To obtain a copy of the standard (PICMG COM.0 R1.0 -- "**COM Express™ Module Base Specification**"), please contact PICMG (<http://www.picmg.org>).

If your company is a member of PICMG, you may purchase additional copies of specifications by completing and submitting this form using the secure server.

➤ **PICMG Member Order Form**

- <https://www.picmg.org/v2internal/specorderformsec-member.htm>

**If you do not want to join PICMG, you may purchase specifications by completing and submitting this form using the secure server.**

➤ **.Non-member Order Form**

- <https://www.picmg.org/v2internal/specorderformsec-nonmember.htm>

More information & latest datasheet release for **COM Express™** products is found right here on this website:

- <http://www.comexpress-extension.org/products/products.php>

Feel free to reply if you have suggestions or questions!

Thank you and best regards,

Product Marketing Team  
Kontron Embedded Modules GmbH
